DIANE WESTON

Diane,
Well, what can I say? We've been friendly enemies for so long that the whole book wouldn't be long enough to write down all our good & not-so-good times. The one that sticks in my mind is that party at Steve Smith's when you were with Willie & I was with a-m. Then there was Pamm's surprise party & at Barry's and our Don & I ended up over at ... Swinging... our great lunch talk ... art class ("tell us about ...") trip to England. Diane, if come over some time during summer & we can do something. Have fun & stay sol... (how can you do both at the same time?) Friends always, Good luck, Linda

Diane,

It was really a fun year on your friendship really added to it. Our Lunchperiod was a riot. Maryland and Linda and sue Teeps and all our visitors. Thanks for feeding me all those lunch periods I didn't even belong in. I'll never forget those affectionate names those affectionate names you called me (even though everybody else was called the same by you) But I loved it all the same. Our sixth period study hall with Miss Merriam was unreal. She is really a circus. Please keep in touch.

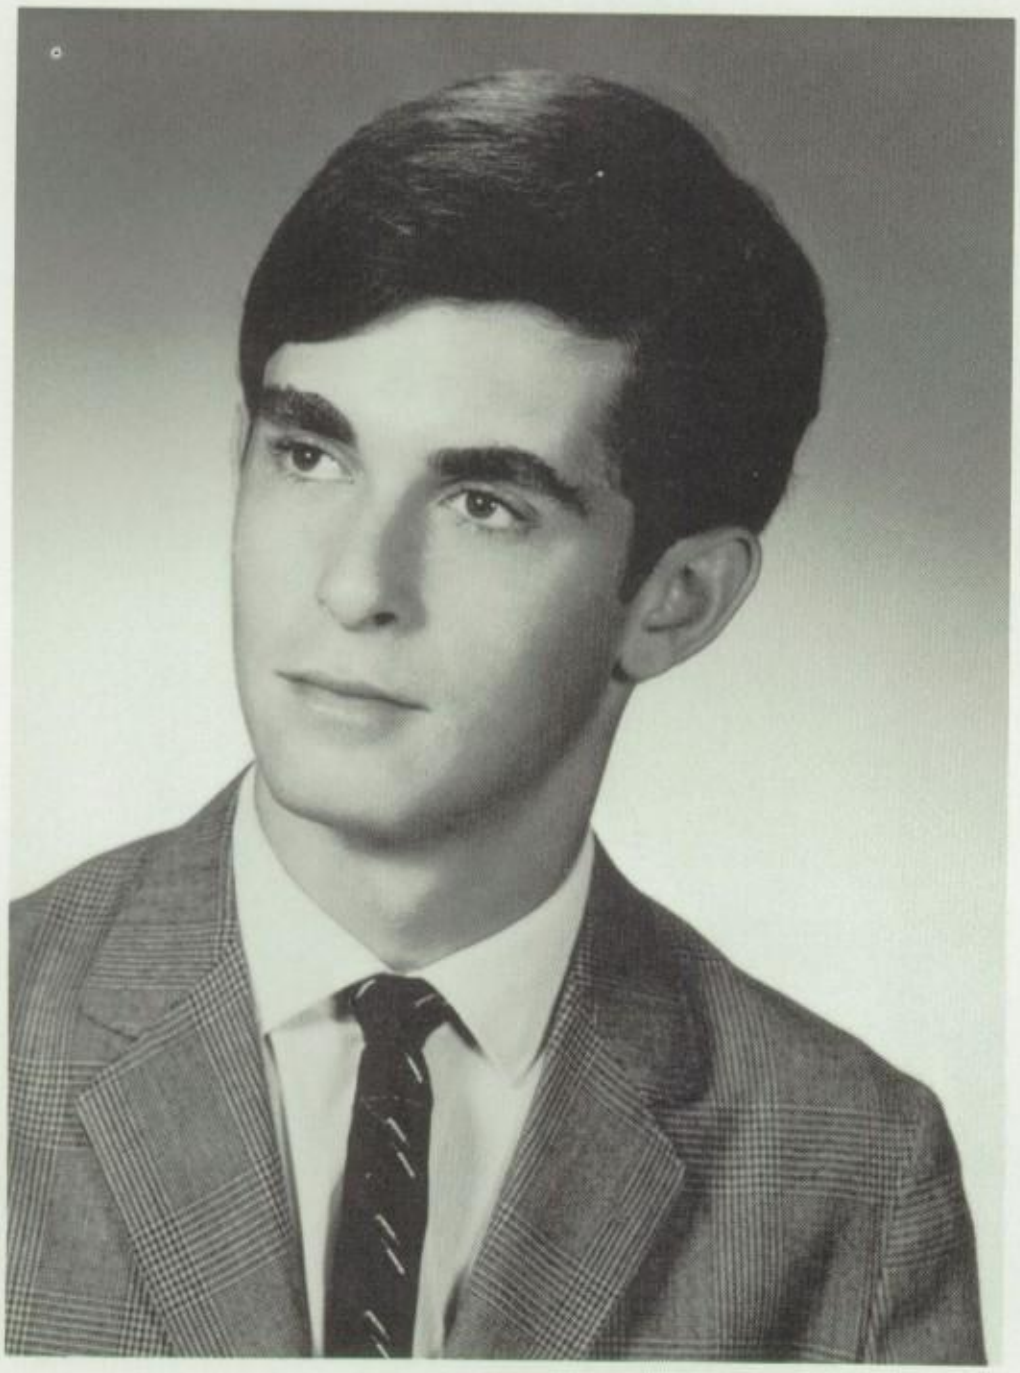
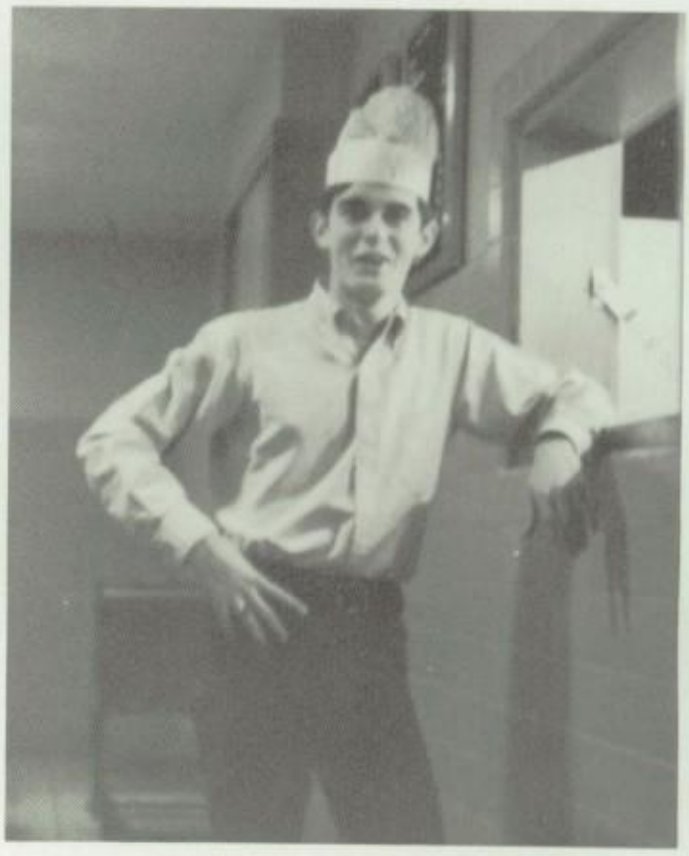
Our Foreign Student—Carlos Nunes





Jose Carlos P. Nunes from Braganca Paulista, Brazil, was the AFS student during the 1967–1968 school year. His course of study in the Brazilian school was much the same as ours here. However, Carlos found our school a bit different from his own. He was impressed by the variety of subjects and sports available to students, as well as such facilities as the chemistry lab rooms. A new experience for Carlos while at North Syracuse was the celebration of Halloween and Valentine's Day.

At North Syracuse Carlos quickly became a part of the school. He participated in Senior Cabinet, AFS, Northcaster, Lacrosse, and Soccer. He became an All-County Soccer Player.

When Carlos returned to Brazil after his year at North Syracuse, he was required to complete an extensive review of all his high school courses before entering college. Judging from his abilities, Carlos is certain to be a success in his chosen field of chemical engineering.

In our last year at North Syracuse four boys attained the highest offices available to any student. Bob Cali led the Senior Class, Paul Cavise was Key Club President, Tony Bottar led Student Council, and John Porubek was Honor Society President.

Two North Syracuse students became National Merit Scholarship Winners. They were Wayne Brownson and Becky Tehon.

Representing North Syracuse on the It's Academic television show were Melanie Buerman, John Porubek, and Tony Bottar.
